## *FROM ME TO YOU . . .*

**As we begin the New Year, I am considering our congregation's future.**

**Later**

**this month, I will turn 60 years old. If God blesses me to live and stay healthy,**

**my plan is to retire from full-time ministry in ten years. I am aware that time**

**is ticking by. As one who loves God and this congregation, I don't want to**

**limp to the finish line. I want to hand off the baton to a new pastor, confident**

**that this congregation is growing, healthy, and effectively carrying out our**

**mission. I want to help our congregation refocus our mission and ministries to**

**become more effective in what God is calling us to do and to become.**

**Here are some preliminary steps:**

- 1. Logo. We are using the new Church of God logo.**

**2. Website. We are switching to a new website provider to make our website more appealing, powerful and user friendly. We are saving money in the process.**

**3. Motto. Instead of the dated "Exalting, Evangelizing, Equipping - We Care."**

**Our motto is: "Loving God and Others." We will update our printed materials**

**and signs as time progresses. Loving God and Others is based upon the Great Commandments of Jesus found in Matthew 22:37-39.**

**4. Mission Statement. "Our mission is to assist persons in becoming mature, reproducing, followers of Jesus Christ who love God and others."**

**5. Refined Ministry Strategy: Our current strategy lacks, focus, alignment and clarity.**

**Our refined strategy is to emphasize four priorities.**

**Growth in Loving God requires placing priority upon:**

**\*Weekly Worship**

**\*Daily Devotions**

**Growth in Loving Others requires placing priority upon:**

**\*Growth Group**

**\*Meaningful Ministry**

**Similar simple strategies have been proven effective in many growing and healthy churches.**

**My Strategic Goals:**

**Here are some goals that I am working toward right now.**

- 1. Communicating our Mission Statement and Strategy.**
- 2. Creating a "Starting Point" group for persons who are new to the church.**
- 3. Developing a Leadership 101 group to train growth group leaders.**

**4. Developing a regular schedule and curriculum for growth group leader training and support.**

**5. Utilizing a simple Personal Growth Assessment to assist you in progressing**

**on the four priorities. This will be a low key, twice per year experience. It**

**will be a simple and private self-evaluation but your growth group leader will**

**assist you if you want help.**

**6. Creating a growth group that targets young adults. (Young adults and their**

**children are the key to rebuilding our children's Sunday School.)**

**7. Communicating current opportunities for you to better participate in growth**

**groups and ministries.**

**8. Creating a list of resources to assist you in your daily devotions.**

9. Helping our congregation understand and apply our mission and strategy.

Pray that we will be more effective than ever as we seek "to assist persons in becoming mature, reproducing, followers of Jesus Christ who love God and others,"

Enjoy a blessed New Year!

*Love,*

*Pastor Randy*

## SPIRITUAL ACROSTICS

*"He who guides himself has a fool for a follower"*

**JANUARY - FEAR (neg)**

**What kind of a lifestyle is healthy? I would think one living doing the right things**

**with Jesus at the center. Amen! Well, unfortunately living in today's world this**

**could be a little difficult. But only if one chooses this road to walk on!**

**"Enter**

**through the narrow gate, for the gate is wide and the way is broad that leads to destruction and there are many who enter through it. For the gate is small and**

**the way is narrow that leads to life and there are few who find it." (Matt. 7:13 -14)**

**I think the saddest words of these verses are at the end which read,**

**"...there are**

**few who find it." Shame on us for not actively working evangelism and even more**

**shame on the one who sees, hears and doesn't believe! Why? Because the easy road always leads down. What is one of the biggest excuses you may hear one say when**

**you witness to someone when asked, "Do you want to ask Jesus to be Lord and**

**Saviour of your life?" I mostly hear that "I'm not done having fun yet!"**

**What are**

**they afraid of? Losing their freedom, not having fun, they may have to change or**

**is it simply the name JESUS?**

**The Israelites standing at the shore of the Red Sea with Pharaoh's army looking**

**down upon them on the hill behind them they felt scared, confused and wanted to**

**run! But run where? They were trapped and have already forgotten everything**

**that God had just done for them. Just as in my life. There were times that one**

would share the Gospel with me in my past. I would listen only to make fun  
when  
that person walked away. Yvonne's grandmother was a warrior in sharing  
Christ  
with us. Again we would listen, make fun and walk away. I didn't see this  
then like  
I see it today is that those who do not learn from their mistakes tend to  
repeat  
them. Now you can see how in one's life today either a non-believer or a  
believer  
how negative fear can play a huge part in their lives. As we live our lives  
today in  
real live moments we deal with our negative fear by forgetting everything  
and run  
from false evidence appearing real if we choose too. The secret to getting  
ahead is getting started which is living our lives in positive fear which is a  
later story to  
help us find . . . that narrow road.

**I am the new year. I am an unspoiled page in your book of time.**

**I am your next chance to practice what you have learned about life  
during  
the last twelve months.**

**All that you sought and didn't find is hidden in me, waiting for you

***CHUCKLES . . .***

Back in the days, did you know . . . Personal hygiene left much room for improvement.

As a result, many women and men had developed acne scars by adulthood. The women would

spread bee's wax over their facial skin to smooth out their complexions. When they were

speaking to each other, if a woman began to stare at another woman's face she was told,  
'mind  
your own bee's wax.' Should the woman smile, the wax would crack, hence the term  
'crack a  
smile.' In addition, when they sat too close to the fire, the wax would melt ... Therefore,  
the  
expression 'losing face.'

Now you know.

My mechanic told me: "I couldn't repair your brakes, so I made your horn

The colder the x-ray table, the more of your body is required to be on

My grandmother was a very tough woman. She buried three husbands - and two of  
them  
were just napping.

\*\*\*\*\*

During a children's sermon, Reverend Larry asked the boys and girls what the word

"amen" means. Little Chucky's hand shot up, "I know," he chirped. "It means, 'Tha-tha-tha-that's all folks!'"

### **ANOTHER YEAR IS DAWNING (a hymn)**

Frances Ridley Havergal, 1836-1879

It is always challenging to approach a new year and to realize anew that our days upon this earth are so rapidly passing. How important it is that we pause with the psalmist and pray for a "heart of wisdom" that will enable us this year to live each new day in a way that brings all glory to our God.

In January of 1874, the many friends of Frances Ridley Havergal received a New Year's

greeting with the heading, "A Happy New Year! Ever Such May it Be!" Following this greeting appeared her text, still considered to be one of the finest New Year's prayers of consecration

ever written:

*Another year is dawning, Dear Father, let it be, in working or in waiting another year with*

*Thee; another year of progress, another year of praise, another year of proving Thy presence*

*all the days.*

*Another year of mercies, of faithfulness and grace, another year of gladness in the shining*

*of Thy face; another year of leaning upon Thy loving breast; another year of trusting, of quiet,*

*happy rest.*

*Another year of service, of witness for Thy love; another year of training for holier work*

*above. Another year of dawning, Dear Father, let it be, on earth, or else in heaven,*

*another*

*year for Thee. Amen.*

One can well imagine that those who received this greeting card from Miss Havergal that year read her words thoughtfully. They were written by one who had become widely known throughout England as "the consecration poet." It was said of her that she always lived her words before she wrote them. Her life was one of constant and complete commitment to God. Her many talents -- an accomplished pianist and vocalist, proficiency in seven languages, a keen mind (memorization of the entire New Testament, Psalms, Isaiah, and the Minor Prophets) -- were all dedicated to serving God and others during the new year. May that be our challenge for this new year as well!

Begin this new year with a fervent prayer such as the one written by Frances Havergal that God will give your life a renewed purpose and power as you earnestly seek to represent Him in a worthy manner.
